UTAH PEACE OFFICER STANDARDS & TRAINING
Command College Application Continued

Please list prior advanced in-service training courses and higher education degrees: _____

Why do you believe that you would be a good candidate for Command College? _____

What qualities will you contribute to the group composition at Command College? _____

Other information that you would like considered: _____

I understand that I will be required to attend 32 hours of training on December 8-11, 2003, 32 hours of training in Spring 2004 and at EDI and the Fall Sheriff's Association Conference, and I will be required to complete 48 hours of elective credit training as approved by the Command College coordinator. I agree to attend each session and understand that absences will not be allowed. I will schedule court appearances and necessary meetings to allow uninterrupted participation in Command College. I also understand that I will be required to complete pre-learning activities and surveys, as well as a substantial development project within my agency. I agree to actively participate in Command College and complete all assignments necessary for certification by Command College.

Agency Executive (Chief or Sheriff) Recommendation:

I recommend the applicant for participation in the Command College. The applicant currently has command responsibilities and is a probable candidate for advancement and further command responsibilities. I believe that the applicant will substantially contribute to the Command College learning experience. I agree to ensure that the applicant will be fully relieved of duties during Command College sessions so that the applicant may participate without interruption. I understand that the applicant may be required to attend the Spring EDI and the Fall Sheriff's Association conference to complete Command College training.
